George Angus Wins Golfing Blue Riband Third Successive Time

The final round of the Manoa Golf Cup tournament was played in splendid weather yesterday on the links of the Oahu Country Club.

The winner turned up in George Angus, who has now won the cup in three successive years. Frank Halstead was runner-up.

The Manoa Cup is an open scratch event and emblematic of the Hawaiian golfing championship.

When the old Manoa Golf Club disbanded the funds were turned over to the Oahu Country Club to be devoted to the purchase of a perpetual cup to be known as the Manoa Cup. It has been played for five times and Austin White won it in the first two years of its competition.

While the cup contest is open to any golfer in Hawaii, the cup must not be taken out of the country.

The scores yesterday were as follows:

| | 1st. | 2d. | Total. |
|------------------|------|-----|--------|
| G. Angus | 88 | 84 | 172 |
| F. Halstead | 94 | 87 | 181 |

| Judge A. Mahaula | 99 | 96 | 195 |
| S. G. Wilder | 89 | 106 | 195 |
| J. Evans | 97 | 102 | 199 |
| J. A. Greig | 99 | 102 | 201 |

Next Saturday and Sunday the final playing for the President's Cup will take place on the Country Club's links. This cup was presented for the best score made during President W. F. Dillingham's term of office. E. W. Sutton is the favorite for the cup, with the low score of 74 to his credit.

SPORTDRIFT

The Hawaii Yacht Club's dance at Waikiki passed off very enjoyably and a goodly crowd went out to the beach on Saturday night to trip the light fantastic over the catfish preserve of the Outrigger Club.

A game of soccer played on the Kamehameha Schools' campus on Saturday, between eleven styled "Reds" and "Whites" was won by the latter by the score of 2-1, the teams being as follows:

There will be practice on Atkinson Field, near the Healanis' headquarters, and all interested are invited to attend and participate in the kicking, if they feel like it.

Next Sunday at the Athletic Park the Japanese will play the Hawaiis and the Portuguese will cross bats with the Stars.

The Healanis intend to give their attention to various sports during the off months for rowing.

The Grammar School Athletic League will start its soccer season in a couple of weeks.

next month will be V. L. Stevenson and Lester Petrie.

Archie Robertson and Jack Kia, fishing in deep water off Diamond Head yesterday, caught four ulua and five good-sized pua. GARDEN ISLE SOCCER NEWS

Garden Island: Soccer is soon to take the place of baseball on the stage of sports. From the different teams of the island comes most favorable reports, that from Koloa so far being the most interesting. This team, according to Mr. Perry, is completely outfitted and ardently practicing.

As the secret of success in all athletic sports is practice, it would be advisable for all teams to follow the example of the Koloa team.

It will be remembered by many that the Makawell "a" team won the pennant of the season through their incessant practicing and it will also be remembered by the Lihueites that our boys were defeated simply through lack of practice.

This should be a lesson to every team and serve as an inducement to urge them to do or die. There will not be the expense attached to a soccer tournament that was necessary to carry on the baseball series, and there would also be much less labor in getting together, while there is every reason to suppose that equal enthusiasm will follow in the wake of soccer.

Makawell feels sure of defeating any or all teams, which attitude will serve as a stimulus toward producing interest in other teams.
